- 17 | Barrel

PISTOL INSTALLATION

STEP 1

Opening the Charging Hatch & Removing the Charging Handle
Press the **Charging Hatch Release Button (7)** and remove the **Nano Roni® Pro Charging Handle (3)**.

Note: This step is only relevant for users with the Pro version. If your pistol is already equipped with an optic sight, skip to **STEP 3**.

STEP 2

Installing an Optic Sight on the Nano Pro Charging Handle™
Mount the **Nano Roni® Red Dot Sight (2)** by screwing the two dedicated screws through the holes on the **Roni® Pro Charging Handle (3)**.

Next, place the **Charging Handle (3)** onto your pistol's slide serrations, ensuring it aligns precisely with the last line of the serrations.

Note:

This charging handle is **not included with the Nano Roni® by default**. It can be purchased **separately** or comes included as part of the **Pro Kit**.

STEP 3

Inserting the Pistol into the Frame
Insert your pistol into the **Nano Roni® Frame (1)** through the **Side Charging Hatch Opening (6)**.

Close the hatch until you hear a click, indicating the pistol is securely locked inside. Your pistol is now locked in place, and the Nano Roni is ready for use.

OUR PRODUCTS AREN'T JUST ACCESSORIES - THEY'RE BUILT FROM THE BATTLEFIELD UP.

By reducing the operator's silhouette and limiting exposure to threats, we help preserve the most critical asset: human life.

FRONT GRIP INSTALLATION

STEP 1

Attaching the Front Grip

While holding the **Front Grip Release Button (12)** pressed, slide the grip into its position on the Picatinny rail until it clicks and locks into place.

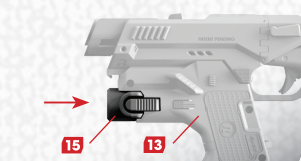

STEP 2

Removing the Front Grip

Press the **Front Grip Release Button (12)** and slide the grip out of the Picatinny rail.

FLASHLIGHT INSTALLATION

STEP 1

Inserting the Battery

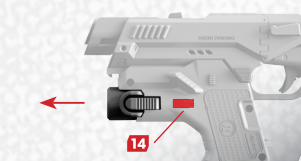

Twist off the rear cap of the flashlight and insert a new battery. Then insert the **Flashlight with Integrated Adapter (15)** into its dedicated slot on the **Ergonomic Front Grip with Magazine Holder (13)**.

STEP 2

Adjusting Activation Direction

Rotate the flashlight 180° to choose the direction of the activation **Flashlight Button (16)** - left or right.

STEP 3

Removing the Flashlight

To remove the flashlight, press both **Light Adapter Release Button (14)** simultaneously (on both left and right sides), and pull the flashlight out.

STEP 4

Replacing the Battery

Repeat **Step One** to replace the battery by unscrewing the rear cap of the flashlight.

REMOVING THE NANO FRONT BARREL

STEP 1

The **Nano Roni® Barrel (17)** is designed to be easily removable, allowing you to use your pistol with a compensator or a suppressor. This unique capability gives you enhanced flexibility for various operational needs.

For a step-by-step video guide on removing the Nano Front Barrel for use with a compensator or suppressor, scan the QR code provided.

IMPORTANT Both the compensator and the suppressor must have a maximum outer diameter of 35 mm.

LEGAL AND DISCLAIMERS

1. Waiver of Liability and Terms of Use

By purchasing, installing, or using any product manufactured or sold by the Company ("the Manufacturer"), the buyer explicitly agrees to the terms and conditions stated herein. Any other terms, whether verbal or written, presented by the buyer are hereby rejected.

The Manufacturer reserves the right to update or modify these terms without prior notice.

2. Buyer Responsibility

The buyer acknowledges and agrees to the following:

- You are solely responsible for complying with all applicable laws and regulations in your country, state, or jurisdiction regarding the purchase, installation, and use of firearms and firearm accessories.
- You are responsible for understanding how our products may affect the legal classification of your firearm (e.g., Short-Barreled Rifle or other regulated configurations).
- You assume all risks related to the use or misuse of our products, including civil, criminal, or administrative liability.
- You are responsible for ensuring that your use complies with all relevant laws, including but not limited to ATF, EU directives, export/import restrictions, and local firearm regulations.
- You are responsible for verifying whether additional licensing, approvals, or registration are required before using or installing our products.

3. Safety Warnings and Use

- Improper use or installation of products may result in serious injury, death, or property damage.
- Always verify compatibility with your specific firearm model before installation.
- Do not alter, tamper with, or remove components unless specifically instructed.
- Never attempt to modify the products without written authorization from the Manufacturer.
- Use inconsistent with product manuals or warnings will void any warranty and may create legal liability.
- Products must not be used for illegal activities or in restricted jurisdictions.
- Do not combine products with third-party parts or accessories that impair safety or compliance.
- The manufacturer disclaims any liability for misuse of this product. The brace is designed and intended solely as a pistol stabilizing brace. It must not be used or construed as a shoulder stock. Any attempt to shoulder the brace is considered improper use and may violate applicable laws and regulations.

4. Warranty Disclaimer

Except where required by law, the Manufacturer disclaims all express or implied warranties, including but not limited to:

- Merchantability • Fitness for a particular purpose • Non-infringement of third-party rights
- All products are sold "as-is." Some jurisdictions do not allow exclusion of implied warranties, so this clause may not apply in full.

5. Limitation of Liability

To the fullest extent permitted by law:

- The Manufacturer shall not be liable for any damages, losses, or injuries resulting from misuse or use of its products.
- This includes, but is not limited to, bodily harm, property damage, business loss, reputational harm, or penalties.
- In no event shall liability exceed the actual purchase price paid by the buyer.
- No reseller or representative is authorized to make warranties or representations on behalf of the Manufacturer unless confirmed in writing.

6. Indemnification

By using our products, the buyer agrees to fully indemnify, defend, and hold harmless the Manufacturer, its employees, affiliates, directors, and authorized distributors against any claims, damages, lawsuits, or costs (including attorney's fees) arising from:

- Unauthorized modification • Negligent installation or operation • Illegal use
- Use with unapproved, non-Manufacturer parts • Death or injury caused by misuse or negligence

This obligation survives termination of product use or warranty.

7. Export Compliance

Products may be subject to international arms regulations (e.g., ITAR, EAR). Buyers are responsible for ensuring that they have the necessary export licenses and permissions prior to shipping or transferring products outside their country. Diversion contrary to applicable law is prohibited.

8. Jurisdiction and Arbitration

All disputes related to the purchase or use of the Manufacturer's products shall be resolved by binding arbitration before a single arbitrator. Unless otherwise agreed in writing, arbitration shall be conducted in English. Each party shall bear its own legal fees unless determined otherwise by the arbitrator.

9. Force Majeure

The Manufacturer shall not be liable for delays or failure to perform due to events beyond its reasonable control, including but not limited to natural disasters, war, terrorism, labor strikes, supply chain disruptions, or government restrictions.

10. Severability

If any provision of these terms is found invalid or unenforceable, the remaining provisions shall remain in full force and effect.

11. No Unauthorized Resale

Products are intended for the original purchaser only. Unauthorized resale, redistribution, or transfer without written approval from the Manufacturer will void the warranty and may result in legal action.

12. Governing Language

These terms were originally written in English. In the event of discrepancies between translations, the English version shall prevail.

13. Gender Neutrality

All references apply equally to all genders.
